On behalf of the members of the Rotary Club of Wilsonville and the Wilsonville Rotary Foundation, I wish to express my sincere thanks for your generosity in supporting our 2014 First Citizen Recognition Banquet and Heart of Gold Auction.

The First Citizen for 2013 is Kathryn Whittaker, recognized for her many years of community support and service to Wilsonville. As President to the West Linn-Wilsonville Education Foundation, Kathryn helped improve our schools, and her volunteer activities at the schools strengthened the learning experience.

Throughout the year, Wilsonville Rotary sponsors the Wilsonville Summer Concert Series which this summer will be on Thursday evenings in the Town Center Park from July 19th through August 10th, opening with Wilsonville's favorite band, Johnny Limbo and the Lugnuts. We also support Through A Child's Eyes (TACE) helping Coffee Creek Correctional Facility inmate mothers bond with their children, give scholarships for seniors graduating from Wilsonville High School, raise money for our primary and secondary schools, and support Chess for Success at the primary school level. This year's international project is developing a solar power project cooperating with Oregon Tech to be installed in Tanzania.

It is through the generosity of citizens like you who help us give back to the community in many ways, several of which are described above. Your support allows our club to practice "Service Above Self".

With sincere appreciation,  
Rotary Club of Wilsonville
