Dear Kory:

Thank you for your donation of \$300.00 to the Canby Public Library. Your donation will help ensure that our library continues to be a place that serves everyone. We are so fortunate to have supporters like you!

With the start of a new school year just a few weeks away, your donation of books for school aged children is perfect timing. Having a great selection of exciting titles for that particular age group adds tremendous value to our library and will bring smiles to many young faces.

A special thank you to Sheena Millison for initiating this creative idea of fundraising and creating publicity for Roth Heating and the Canby Public Library. We appreciate this wonderful partnership.

Warm regards,

Penny Hummel
Library Director

The books are starting to arrive, so enclosed is a "sample" for your enjoyment - Thanks again!
